

Note that we have a list of concepts related to this story. Concepts are generalized ideas which can be challenged and stretched. We can do this by questioning the assumptions we make and thinking about alternative perspectives in order to further shape and define our ideas. The sample questions we have listed will encourage dialogue about the story, but you can also explore any of the concepts listed using the following question stems.

What is

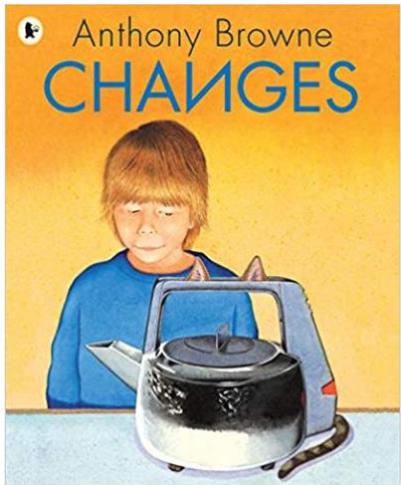

What do you already know about...

Is it the same as....

What would happen if...

How does... compare to

How did the story change your thinking?

The washbasin grows feet, the armchair becomes a gorilla, his bicycle wheel turns into an apple ... Joseph's father had said when he'd left that morning that everything was going to change. But what had he meant? This book explores the boy's state of mind as he prepares for the return of his parents with his new baby sister.</p> <ul style="list-style-type: none"> • Is change inevitable? • If one thing in your life changes, can it cause everything else to change? • Can one thing change and everything else stay the same? • Is wondering worse than knowing? • If 'normal' means everything staying the same, does that mean nothing is normal?
