

Note that we have a list of concepts related to this story. Concepts are generalized ideas which can be challenged and stretched. We can do this by questioning the assumptions we make and thinking about alternative perspectives in order to further shape and define our ideas. The sample questions we have listed will encourage dialogue about the story, but you can also explore any of the concepts listed using the following question stems.

What is

What do you already know about...

Is it the same as....

What would happen if...

How does... compare to

How did the story change your thinking?

"The egg was young. It didn't know much. We tried to tell it, but of course it didn't listen. If only it had waited ..." This is the story of the egg that wanted to fly. The egg loved the sky. It saw all the birds, insects, aeroplanes, balloons, helicopters, bats and clouds. It dreamed of being high up there, flying with them all. So, the egg went to a very high place ... and jumped ...</p> <ul style="list-style-type: none"> • Is it good to be ambitious? • Does youth make us ignorant? • Does age make us wise? • If we believe we've achieved our goals, does that mean we have? • Should we limit our dreams? • Should we only have aspirations that others think we can achieve?
