

Note that we have a list of concepts related to this story. Concepts are generalized ideas which can be challenged and stretched. We can do this by questioning the assumptions we make and thinking about alternative perspectives in order to further shape and define our ideas. The sample questions we have listed will encourage dialogue about the story, but you can also explore any of the concepts listed using the following question stems.

What is

What do you already know about...

Is it the same as....

What would happen if...

How does... compare to

How did the story change your thinking?
