

Consent and Release Form for:
photos, video clips, biographical information, quotations

In this consent form we are requesting your permission to use images, video, or personal reflections from you and/or your child for use in a parenting book to be written by Challenging Learning team members, on the Learning at Home section of the Challenging Learning website, and for use in training materials that are shared with educators.

.....

I _____ hereby grant to **Challenging Learning**, the rights to utilize:

- photographs of me and/or my child
- photographs of my child's work
- videos of me and/or my child
- quotations from me and/or my child

It is my understanding that the images, video, or quotations may be used in work published by members of the **Challenging Learning** team, on the website and/or for training presentations that will be shared with educators. I give permission for the images, videos or quotations (anything checked above) to be used in/on:

- a parenting book written by **Challenging Learning** and published by **Routledge Taylor & Francis group**.
- the **Challenging Learning** website
- **Challenging Learning** training materials
